DISCOVER OUR PARK THROUGH A [VIDEO](#).

AN EXCEPTIONAL NATURAL VENUE

Our park is located at the heart of Beumont's Forest on the high side of Wavre. It offers a hilly terrain in the middle of century-old trees.

AN EVENT CLOSE TO BRUSSELS

Located near Brussels, it takes only 20 minutes by car to reach Aventure Parc via the E411. A free parking area is at your disposal. For a more eco-friendly travel experience, Wavre's railway and bus station is only 1km from the park.

OUR INFRASTRUCTURES

You will enjoy a modern, open and bright setting that will suit many events.

Our 400m² reception area is equipped with lockers, changing rooms, ablutions and a cafeteria.

Our 3 terraces have a total capacity of 250 seats and can be covered in case of rain.

OUR MEETING ROOM « LE BEUMONT »

Our seminar room enjoys natural light and can accommodate up to 150 people with its theatre layout and is equipped with a screen, flip-chart, beamer and Wi-Fi connection.

The natural atmosphere will allow you to meet in optimal conditions of relaxation and concentration.

You need more than 150 seats for your seminar? Our partner "[La Sucrerie](#)" is only at 10 minutes walking distance from us and can welcome up to 600 participants.

ACTIVITY:

DARE OUR COURSES, JUMPS AND ZIPLINES

The objective of the ACTIVITY formula is to have a good time in a good mood with the colleagues.

During the activity the colleagues will have to coach each others to accomplish the different courses.

CHALLENGE:

WIN THE TEAM CHALLENGES

With the CHALLENGE formula you will combine the activities with team work by choosing certain challenges (on the acrobatic courses or on the ground) to resolve in small teams.

The ideal formula is to develop the team spirit and cohesion in a natural atmosphere.

BY NIGHT:

FACE THE DARKNESS WITH YOUR TEAM

Discover the acrobatic courses with your colleagues during the night with a headlamp.

FAMILY DAY:

A RELAXING TIME WITH ALL THE FAMILIES

Aventure Parc offers activities for the whole family. Invite your colleagues and their family to spend a good time together.

All formulas can be proposed with a catering service.

COURSES

3h of activity

Min. 10 participants

After receiving the equipment and safety instructions you will start the discovery of our 13 acrobatic courses with our instructors.

Our courses are progressive, accessible to all and require a person of normal physical condition. Our safety system is 100% secured by our undetachable pulley.

Courses can be combined with the JUMP and/or FLY module and/or CHALLENGE.

5 GREEN COURSES

3 RED COURSES

3 BLACK COURSES

1 ZIPLINE COURSE: THE TYRO TOUR 1

1 BALANCED COURSE: THE FUN TOUR

JUMP !

Why don't you try one of our 4 unique jumps?

Every participant will do the same jump.

Thrills guaranteed!

45 min of activity

Min. 10 participants

FOREST JUMP

Jump like a stuntman in a gigantic 100m² inflatable mattress!

2 jumps in total freedom. Start with a 5 meter high jump and then move onto an 8 meter high jump.

[Forest Jump](#)

SPACE JUMP

Be ejected up into the air!

Enjoy a unique experience in Belgium that will propel you up to 17 meters high.

[Space Jump](#)

JUNGLE JUMP

A swinging jump at 15m high!

Jungle Jump is a unique innovation in Belgium.

Fly and swing with the wind!

[Jungle Jump](#)

TOWER JUMP

A free fall from 20m high!

Attached to a security system, you'll climb up an 18m high ladder.

Once the top of the tower has been reached, position yourself at the edge of the diving board to jump into the unknown.

Your safety is ensured by an anti-fall system that allows you to land slowly towards the ground.

FLY !

30 min of activity

Min. 10 participants

FLY-LINE: THE FIRST TURNING ZIPLINE IN BELGIUM!

Slalom high up between the trees on a 330 meter long course that descends 35 meters down!

By letting you slide for nearly two minutes at a speed of 10km/h, you can discover the splendid nature of Aventure Parc.

[Fly-Line](#)

3 to 5h of activity

Min. 20 participants

We organize 2 types of challenges:

- Height challenges, after a warm up on the acrobatic courses you will achieve the chosen challenges in teams
- Challenges on the ground

Challenges are accessible to all and involve human qualities, reflection and organization rather than physical strength.

This formula aims to develop team spirit and cohesion within the whole team. Every challenge lasts +-45 minutes.

CHALLENGES FROM HEIGHT

TOKEN RACE

On our acrobatic courses, perform a relay race in record time. Determine the optimal configuration of the team together in order to make the best use of the strengths of each participant.

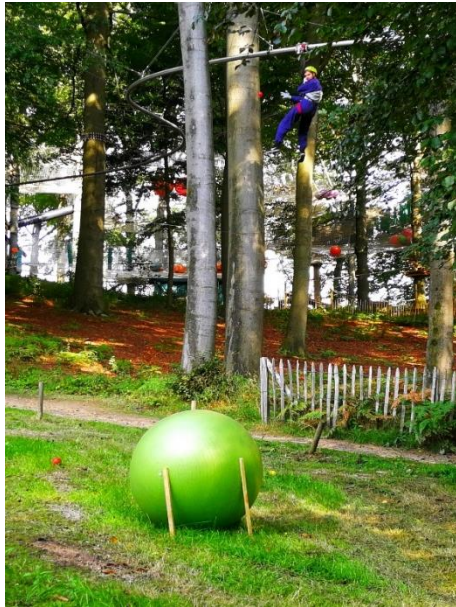

SECRET MESSAGE

Find the hidden clues on the acrobatic courses. Together, decipher the secret message by putting the found clues together.

TARGET DROP

Starting from a zipline (Fly-line) or a jump (Space Jump) the objective remains the same: meet the target to get the best score by team.

CHALLENGES ON THE GROUND

FORT CONQUEST

Together conquer the fortress of "Beumont". Different missions will have to be carried out in order to deliver the fortress from its enemies. Strategy and solidarity will be necessary to win this interactive challenge!

 [Fort Conquest](#)

FOREST OF SECRETS

Discover the mystery of Beumont's Forest with one of our forest animators.

During the walk the team will have to resolve the multiple mysteries of the forest in order to find the walking path. To resolve these challenges the whole team will need cohesion and mutual assistance.

ARCHERY CONTEST

After a short introduction to archery, you will try to win the contest in 2 formats: target shooting and balloon shooting.

OUTDOOR YOGA

Yoga in the middle of nature!

A zenitude session that will allow you to work and stretch your body while taking the time to breathe in the fresh air and soothe the mind followed by a relaxation session in full tranquility.

TEAM SCULPTURING

By team, create a masterpiece.

Supervised by a qualified coordinator, your team will be introduced to the work of clay. Inspiring you of the natural framework to reveal your creativity based on the theme of the day. At the end of the session, the team will be asked to react and provide feedback on every masterpiece.
